Dear Brandi,

My name is Alex Goldman and I'm a radio producer in New York. I just spoke to you on the phone. I was interested in filing a request pertaining to case # 00012I71. The Reporting Officer is Craig Pittman, and the date of report was Tuesday 05/23/2000 at 0840.

The case is an investigation into the death of man named Robert Hoquim, and a storage space that he rented.

I am interested in all case files related to the case, including photographs taken of a storage space that the investigating officer has told me exists. Please let me know if you have any other questions.

Thank you,
